To Whom It May Concern:

I have been introduced to the artistic work of Ms. Ornili Azulay and I was deeply impressed by her talents.

She is an impressive dancer and a creative choreographer, applying the technique of Classical Spanish and Flamenco dance to different styles of music, especially orchestral, thus giving life to dramatic contents and ideas.

Her performance excels in musicality, elegance and exceptional stage presence.

Ms. Azulay's choice of repertoire is interesting, cross-cultural and performed on the highest level.

Sincerely

Zubin Mehta
